

# Tribal Renewable Energy Workshop

The U.S. Department of the Interior and the U.S. Department of Energy invite you to attend a workshop focused on opportunities for Indian tribes and Alaska Native villages to participate in the burgeoning renewable energy marketplace.

## **Key Discussion Topics:**

The Current Regulatory Landscape  
Federal and State Requirements and Incentives  
Technical and Funding Assistance Opportunities  
Tribal Case Studies/Lessons Learned  
Tribal/Private Partnership Opportunities  
Energy-Water Nexus  
Non-use Investments

## **Invited Presenters Include:**

Leading renewable energy developers such as First Solar  
Large-scale renewable energy purchasers  
Federal agencies, including Departments of Energy, Agriculture, the Interior, and the Environmental Protection Agency  
Tribes with significant renewable energy projects  
State public utility commissions  
Non-governmental organizations

**When:** September 7-8, 2016

**Where:** Denver, CO

**Registration:** No fee. Travel expenses not covered.
